Events: Personality Development on 28-07-2017

Purpose:

- Personality development is the key ingredient in becoming a success in your personal as well as professional life. Everyone wants to have a nice car and a dream home for their family, but there is a certain level of confidence and belief that is needed in order to make it happen.
- You cannot just dream about these things and expect them to fall into your hands overnight, nor can you believe that they are impossible to achieve. Success is out there for the taking for anyone who wants it, you just need to know that it is yours.

Events: Child Labour Act on 12-08-2017

Purpose:

- The primary reasons leading to Child Labour can be traced to poverty, lack of decent schooling and education and growth of the informal economy.
- Child labour results in the victimised child being deprived of a healthy and nurturing environment in which to grow. He/she also generally suffers physical and mental trauma which can be scarring for life. Apart from not getting an education, the child is also subjected to various kinds of abuse and this prevents him/her from blossoming into a happy and healthy adult.

Events: We are all Indians on 17-03-2018

Purpose:

"Civilizations have arisen in other parts of the world. In ancient and modern times, wonderful ideas have been carried forward from one race to another...But mark you, my friends, it has been always with the blast of war trumpets and the march of embattled cohorts. Each idea had to be soaked in a deluge of blood.

Each word of power had to be followed by the groans of millions, by the wails of orphans, by the tears of widows.

Events: Child Labour Act on 25-02-2017

Purpose:

- The primary reasons leading to Child Labour can be traced to poverty, lack of decent schooling and education and growth of the informal economy.
- Child labour results in the victimised child being deprived of a healthy and nurturing environment in which to grow. He/she also generally suffers physical and mental trauma which can be scarring for life. Apart from not getting an education, the child is also subjected to various kinds of abuse and this prevents him/her from blossoming into a happy and healthy adult.
